

**Leading I.T Systems  
integrator in  
East Africa**

KENYA • TANZANIA • UGANDA • RWANDA • ZAMBIA

## **East & Central Africa's Leading Technology System Provider**

Computech Limited celebrates 30+ years as a leading East African systems integrator. We deliver cutting edge solutions in key industries. So far, we're trusted by over 5,000 clients in 5 different countries.

## ABOUT US

Founded in 1987, Computech Limited is a leading East African systems integrator, providing technology solutions for the Digital transformation of the enterprises and resolution of some of the pain points in IT. Celebrating 30 years since inception, Computech Limited has now expanded to have offices in 5 countries and a significant regional footprint.

Headquartered in Kenya with operations across Tanzania, Uganda, Rwanda, and Zambia, Computech Limited continues to explore opportunities to further serve the region by providing local, regional, and international expertise.

With a recent entry into the Healthcare market, Computech is enthusiastic about the ever-present opportunities for growth and technology-driven improvement in the region.

# VISION, MISSION, AND SERVICES

# OUR JOURNEY SO FAR

Computech has significant experience across industry sectors, products and services, with substantial work done in providing professional services, infrastructure solutions, technical support, and technology outsourcing to all sectors. Key clients have ranged from banking and financial services, telecommunications, manufacturing, government, and NGOs.

Key partners include: Oracle, Cisco, Dell, HPE, HPI, Microsoft, Huawei, Commvault, Symantec, Juniper, Arista, Microfocus, Checkpoint, Fortinet, Lenovo, NetApp etc. Our endeavor is to provide OEM/Vendor agnostic solutions meeting our customer's needs.

# Value Proposition for System Integration

## Non-IT DC Infra

- Data Centre Containers
- Data Centre Physical Infrastructure Services
- Data Centre Cooling
- Data Centre Physical Security

## DC Network

- Data Centre Switching
- Data Centre Security
- Software Defined Networking

## WAN & LAN

- Wide Area Network Services
- Local Area Network Services
- WIFI i& Collaboration
- SD WAN

## DC IT Platforms

- Compute platforms
- Virtualization & emerging Platforms
- Storage & Data Management
- OS , Database & Middleware
- Professional Services

## SOFTWARE

- O365 & Azure
- Core Banking Software and ERP
- Omnichannel Banking
- Zero Code Application
- RPA

## CYBER SECURITY

- Data Centre Security
- Cyber Security
- Database Security

## Our Value Proposition

### Non-IT DC Infra :-

#### ■ Non-IT DC Infra :-

- Data Centre Containers - Self-contained data center & Container DCs
- Data Centre Physical Infrastructure - Racks, Cabling, UPS, patch panels etc.
- Data Centre Physical Security- access control and IP Surveillance

#### ■ Professional services -

- Design and Consultancy, Implementation and SLA Centric Professional Services

Hewlett Packard  
Enterprise

**HIKVISION®**

## Our Value Proposition

### DCN, Campus & WAN: -

- Data Centre Switching, Routing
- Leaf-Spine Architecture
- Aggregation, Campus Wired/Wireless
- SDN (Orchestration for Campus, DC & WAN)
- Collaboration (Voice & Video), Contact Centre, Billing & Recording

### Professional services -

- Architectural Design, Implementation and SLA Centric Professional Services

ARISTA

a Hewlett Packard  
Enterprise company

## Our Value Proposition

### DC Platforms :-

- Compute -Servers, Blades HCI, CI, Engineered Systems
- 1 Virtualization Solutions - Compute & Storage
- Storage - block, object, file
- OS, Database & Runtime
- DW, Data Lake, Bigdata Reporting
- Back-up, Archival & Data Management Solutions
- Microservices Dev Ops
- Cloud - Lift & Shift

### Professional services -

- Architecture Design, Sizing, Implementation, Assessment and SLA Centric Professional Services

**HITACHI**  
Inspire the Next

## Our Value Proposition

### Application / Software :-

- Microsoft 0365, Azure & Share Point
- ERP & stand-alone Apps
- Zero Code / No Code Applications Development platform
- Intelligent workflow automation
- Robotic Process Automation | Work from anywhere solutions
- Software Asset Management
- Core Banking, Digital Banking & Regulatory Compliance
- SAP integration/migration Services

### Professional services -

- Design and Consultancy Professional Service, Implementation Professional Services and SLA Centric Professional Services.

## Our Value Proposition

### Information Security: -

- End Point Security - EDR/MDR, Malware Protection, UBEA, MDM, Device Control, VPN
- Network Security - Access Control, IPS/IDS, DDOS, Threat Intelligence, Load Balancer, NAC, Config Mgmt.
- Data Security - DLP, DAM, PKI, Encryption, Data Classification, Enterprise Rights Mgmt.
- Application Security - WAF, Virtual Patching, DevSecOps Version Control, App Vulnerability scanning
- Cloud Security

### Professional services-

- Consulting, Security Architecture review, Compliance and Policy review, Implementation & SLA centric services.

THALES

NETSCOUT

Forcepoint

FORTINET
